SCCCI Sponsor Benefit Btructure

Sponsors are sought to help finance the Space Coast Climate Change Initiative including website design, hosting, and updates, speaker honorariums, and event promotion. Sponsors can provide support at one of three levels, but of course support at other levels or in-kind are also welcomed. Sponsor benefits may be active during an "event" promotional campaign or until a specific set of goals are achieved. Please contact us for additional information on how you can help the Space Coast Climate Change Initiative.
